

EZ Winder

Fast... Easy... Reliable...

EASILY WINDS UP LOOSE STRAPS

CONVENIENT

Once a flatbed trailer has been unloaded, the EZ Winder allows the driver to wind the straps onto the mandrel of the winch in a fraction of the time it takes to do it by hand.

EASY-TO-USE

Simply attach the EZ Winder to any winch and the straps are easily wound.

SAVES TIME

This essential tool saves time and gets drivers back on the road quickly.
